DON'T PAY FOR 12 MONTHS!

0% INTEREST • NO MONTHLY PAYMENTS*

In-store only until June 6, pay 0% interest with no monthly payments for 12 months when you finance your purchase at Henry's.

GET THE GEAR YOU WANT, TODAY

Henry's now offers a simple, instant, and more affordable way for you to purchase your next camera, camcorder, or other photography or video-related gear.

FLEXIBLE PAYMENT PLANS

Choose from a variety of flexible payment plans and interest options, and right now pay 0% interest and don't pay for 12 months.*

MANAGE YOUR PAYMENTS CONVENIENTLY

Make Payments quickly and easily using your online banking account.

QUICK AND EASY

No paperwork, scanning, signing or mailing. Plus, get approved in less than 3 minutes!**

HIGH ACCEPTANCE RATES

Flexiti's credit policy is designed to generate high approval rates.

See any of our in-store Associates for details, or visit [Henrys.com/stores](https://henrys.com/stores) for a location near you.

*O.A.C. On your FlexitiCard. Not applicable for Quebec residents. No payments are required during the promo period, except for payment protection insurance premiums and taxes, if applicable, which are billed monthly. Interest at the annual interest rate (AIR) accrues during the promo period and will be charged if the balance is not paid in full by the promo expiry date. Initial AIR is disclosed upon approval, varies based on cardholder's creditworthiness at time of application and does not exceed RBC prime + 33.29%. Any balance at end of promo period bears interest at the AIR. The following admin fees apply and will be financed with purchase (not applicable for Quebec residents): \$79.00 for purchases under \$5,000, \$149.99 for purchases \$5,000 to \$9,999, \$259.99 for purchases greater than \$10,000. For Quebec residents, annual fee of \$39.99 applies. Admin fees do not include taxes. Promos and terms may be changed without notice. Financing provided by Flexiti Financial. Flexiti and the Flexiti design are trademarks of Flexiti Financial Inc.

**Conditional upon ID verification and on approved credit and valid email address required. Applications may be subject to a secondary, manual review.

Fast track

Fast and accurate autofocus systems allow you to track a moving subject and keep them sharp while blurring the background to add kinetic movement to your shots.

Draw a line

Try closing down your aperture to f/11 or more to get more of your whole scene in focus. It's great for landscapes that lead your eye through a scene.

Making waves

Head down to the beach with a good tripod and use a long exposure to capture waves in motion. Focus on a fixed object like a rock or log to accentuate the effect.

Out of the blue

Make your underwater action cam shots look much clearer by using a red filter over the lens. It takes the blue overcast out of your images making skin tones more natural.
